

AXCELLA 2T SX

Premium Performance Semi-Synthetic Two-Stroke engine oil

Product Overview

AXCELLA 2T SX is a premium performance, semi-synthetic, two-stroke engine oil for use in motorcycles, scooters and lean oil/fuel ratio chain saws.

Benefits

- Good protection against corrosion, extended engine life
- Reduction of pre-ignition improves energy efficiency and prolongs piston life.
- Ensures clean combustion and minimizes exhaust smoke and system blockage.
- Provides a thick and strong lubrication film for excellent protection against metal-to-metal contact.
- Good protection against wear-and-tear.

Applications

- Air- and water-cooled motorcycles, scooters, chainsaws and other engines operating on 2 stroke cycle. The oil can be applied by separate oiling or mixture methods.

Health and Safety

This lubricant is unlikely to produce any significant health or safety hazard when used in the application it has been designed for and according to the recommendations provided in the Material Safety Data Sheet. MSDS are available upon request through your sales advisor.

When disposing of used oil, please observe all current regulations and protect the environment.

AXCELLA 2T SX

Meets or exceeds the following industry Specifications

JASO FD / ISO-L-EGD	✓
---------------------	---

Typical properties

Test parameters	Method	
Viscosity @ 40 °C, cSt	ASTM D 445	72
Viscosity @ 100 °C, cSt	ASTM D 445	9.63
Viscosity Index	ASTM D 2270	113
Flash Point, °C	ASTM D 92	120
Sulphated ash content, wt%	ASTM D874	0.04
Density @ 15 °C, Kg/l	ASTM D 4052	0.876

Above characteristics are mean values given as information. They do not constitute a specification.
