

AXCELLA A5 20W-50

Premium performance engine oil

Product Overview

AXCELLA A5 SAE 20W-50 is a premium performance multi-grade engine oil for cars and light duty vehicles operating in severe conditions. It provides good cleanliness and limited wear of the engine, allowing extended oil drain intervals. It can be used in both gasoline and diesel engines.

Benefits

- Enhanced thermal and oxidation stability
- Excellent detergency and dispersancy
- Extended oil drain intervals
- Very good antioxidant and antifoam properties
- Very good protection against wear, rust and corrosion

Applications

- Recommended for use in cars and light duty vehicles
- Cope with requirements of both gasoline and diesel engines
- Suitable for automobiles, light trucks and vans operating in severe conditions whatever the season

Health and Safety

This lubricant is unlikely to produce any significant health or safety hazard when used in the application it has been designed for and according to the recommendations provided in the Material Safety Data Sheet. MSDS are available upon request through your sales advisor.

When disposing of used oil, please observe all current regulations and protect the environment.

AXCELLA A5 20W-50

Meets or exceeds the following industry Specifications

API SL/CF	✓
-----------	---

Typical properties **20W-50**

Test parameters	Method	
Viscosity @ 40 °C, cSt	ASTM D 445	159
Viscosity @ 100 °C, cSt	ASTM D 445	17.2
Viscosity Index	ASTM D 2270	117
Flash Point, °C	ASTM D 92	>200
Pour Point, °C	ASTM D 97	-24
TBN, mg KOH/g	ASTM D 2896	7.4

Above characteristics are mean values given as information. They do not constitute a specification.
